

R510C Durable Color Resin

Product Description

DNP's R510C offers the same unmatched durability as our R510HF Ultra Durable Resin. It's available in eight standard colors and is the industry's toughest color resin ribbon capable of handling extreme environmental conditions with DNP's unrivaled scratch and solvent resistance.

Standard Colors

Colors may vary by substrate
PMS = Pantone® Matching System

Recommended Applications

Automotive

Chemicals

Electronics

Inventory & Logistics

Recommended Substrates

Economy Synthetics Polypropylene
Polyester
Specialty Materials PVC cards
PET cards
Polyimide

Performance Characteristics

- ▶ Toughest resin ribbon on the market
- ▶ Unmatched in abrasion and solvent resistance
- ▶ UL recognized (blue, red, green)
- ▶ High density printing ensuring edge definition
- ▶ DNP's specially formulated backcoating for printhead protection
